Dear Aaron,

I forgot to ask you to autoclave all 4 of the plates which I left with Szilard, before washing them, as they carry Salmonella. I'll borrow them back from you some year.

Here is our expense account:

Train fares:	13.56
Taxis (5 trips)	9.75
Meals, 2 bkfst	
2 dinners each

Hope to see you and Jane again soon,

Thanks very much for your hospitality,

and best regards,
